The Leading Investor in Expanding Mid-Atlantic Information Technology Companies

Edison Venture Finances Notable Solutions Steady Investment Pace in Maryland

LAWRENCEVILLE, NJ, March 9, 2009 -- Edison Venture Fund announced a \$5 million investment in Notable Solutions Inc. based in Rockville, MD. The proceeds will be used to expand sales, marketing and development of this later stage company.

NSi is a leader in the distributed document management market. The company's capture, processing and routing software integrates paper-based processes and electronic information into business applications. Based on a revolutionary architecture, NSi is radically faster, scalable and more adaptive than legacy centralized document management software. Over 2,500 customers worldwide leverage NSi products to automate distributed document processing. NSi's products are distributed by companies such as Xerox, Ricoh/IKON, Kyocera, Kodak, Fujitsu, HP and Sharp

Sever Totia, Principal, and Chris Fountain, Edison Director Network member, serve on NSi's Board of Directors. Chris Fountain was the CEO of Digital Paper and EVP Sales of POMS. Rob Finn, Associate, conducted Edison's due diligence.

"Edison's value-added services and strategic guidance will be instrumental in our success," stated Mehdi Tehranchi, CEO. "Edison's network and portfolio companies contribute to business development."

"The attractive market opportunity and impressive management team are driving NSi's accelerated growth," stated Sever Totia. "Customers praised NSi's streamlined innovative solutions and exceptional service," added Rob Finn.

Edison has invested in 19 business services companies. Active portfolio companies include Archive Systems, Billtrust, Blue Cod, Fishbowl Marketing, Formatta, Innovectra, Neat, Operative, and VFA.

Edison has made 13 investments in Maryland. LogicTree, and Regent Education are segment leaders. Successful Maryland exits include Axent, NFR Security, Skills Bank, Visual Networks and Vocus.
